

CRY FROM MY HEART

(C) Tim Cooper

VERSE 1
I give myself to you as a vessel to bring worship
And praise unto my God
Purify my heart and increase my devotion
To serve you as my God

CHORUS
I reach out my hands
To surrender to Your plans, my Lord
There's a cry from my heart
How great Thou art

VERSE 2
I choose to follow You and release all that binds me
You've set this captive free
You've opened up my eyes, Your light has come upon me
I've faith to believe

VERSE 3
I will know Your voice, You're my Shepherd, You will lead me
In the way of life
My provision is in You, You're the one who feeds me
You're the Bread of Life

VERSE 4
To whom shall I turn, except to You my Jesus
You're the Living Word
You know me inside out, yet still You draw near me
As I draw near to You
