

GLORIFY YOU

T. Cooper - 1998

VERSE 1

Take my heart, take my life
May I glorify You, glorify You
May I walk in Your light
May I glorify You, Glorify You

CHORUS

Because there's no one else like You
Who could ever take Your place
May my idols all come down
So I'll glorify You, glorify Your Name

VERSE 2

Take my voice and my song
Let them glorify You, Glorify You
May I sing a new song
Let it glorify You, glorify You
