

THE ONE I LOVE

TIM COOPER 1998

From the depths of my soul I will praise You
By your Spirit I sing now with joy
As you move in my heart I will worship You
For You are the Living God
Yes You are the Living God

I have tasted your grace and your mercy
I am still overwhelmed with your love
In my heart will You move ever deeper
For You are the Living God
Yes You are the One I love

AM G D C

Ooh....

My Lord You I love

AM G D C

Ooh...

For You are the Living God

Yes You are the One I love
